PRESS RELEASE
FOR IMMEDIATE RELEASE

16th February 2024 — Kigali, Rwanda

Ireme Invest is Open - Call for Applications under the Rwanda Green Fund

➔ Ireme Invest will provide grants, recoverable grants and equity to eligible businesses under Rwanda Green Fund’s Project Preparatory Facility (PPF).

➔ The Investment Areas are: clean energy, smart mobility, sustainable cities, climate-smart agriculture and the waste & circular economy.

➔ Applications close on Friday, 15th March 2024 at 17:00 CAT.

Eligible businesses can now access grants of up to 125 million RWF, recoverable grants of up to 300 million RWF, and equity investments of up to 300 million RWF through Ireme Invest.

Ireme Invest seeks solutions that demonstrate potential for scalability, financial viability as well as economic and environmental impact. This opportunity is open to all entrepreneurs and businesses operating in or transitioning to the green solutions Rwanda.

Interested entrepreneurs and businesses are encouraged to learn more and apply at www.iremeinvest.rw/apply. Webinar and info-session opportunities will be provided throughout the application period. Applicants can contact application@greenfund.rw with any questions.

About Ireme Invest

Ireme Invest is an Investment Facility that supports Rwanda's private sector to access green finance and increase the private sector’s contribution to Rwanda’s response to climate change. Ireme Invest offers a range of tailored financial products and services:

→ The Project Preparatory Facility, hosted at the Rwanda Green Fund, offers grants, recoverable grants, and equity.

→ The Credit Facility, hosted at the Development Bank of Rwanda, provides concessional loans and bank guarantees.
